2026 Fundraising Deck

SUPPORT ARK VALLEY LACROSSE

BUILDING THE FUTURE OF LACROSSE IN SOUTHWEST COLORADO

What started as a small recreational team three years ago has quickly blossomed into a thriving lacrosse community. With over 60 kids in our program and support from hundreds of families and attendees at events like our annual Laxo De Mayo tournament, we're thrilled by the energy and passion for lacrosse in Salida and beyond. Thanks to our community of parents and partnerships, including True Lacrosse, we're expanding the sport throughout southwest Colorado, providing kids with opportunities to play, grow, and compete.

OUR VISION

We're committed to building a robust lacrosse program, from youth to high school, that empowers local kids to learn teamwork, discipline, and athleticism. This means not only creating opportunities for recreation but also establishing a supported high school team, a critical step for sustaining the sport locally and providing players with pathways to compete at higher levels.

For our youth ages K-8 we are hosting spring, summer, and winter leagues to encourage passion, community, and skill building. The talent in our valley is unmatched by these kids and we are eager to foster their excitement.

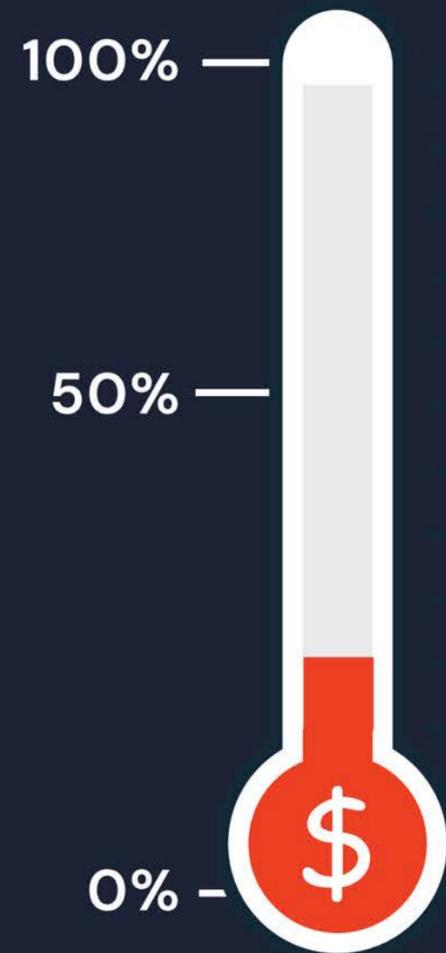

Spring of 2026 marks the first year for our **Salida High School** boys club team. In our inaugural year we will play around 8 games. This has been put together with a lot of dedication from players, coaches, parents and supporters.

PROJECT TIMELINE

HOW YOU CAN HELP

We aim to raise \$20,000 to make this long-range vision a reality for years to come. Every dollar brings us closer to building a self-sustaining lacrosse program that gives every child in our community a chance to play, grow, and succeed. Join us in shaping the future of lacrosse in Salida!

HOW YOUR DONATION WILL IMPACT OUR COMMUNITY

Our goal as a 501C3 club is to never let money stand in the way of a child not playing lacrosse.

- **Equipment & Gear**
Providing players with quality, safe equipment to keep participation costs low.
- **Coaching & Training**
Expanding access to professional coaches to build skills, sportsmanship, and teamwork.
- **Scholarships**
Ensuring that all kids, regardless of financial situation, can join and benefit from the lacrosse program.
- **Field Rentals & Facilities**
Securing outdoor and indoor practice fields for year-round training and games.
- **Travel & Tournaments** Covering costs for teams to participate in the southwest regional competitions, promoting growth through friendly competition.
- **Community Engagement & Outreach**
Organizing clinics and events like Laxo De Mayo to inspire interest and support for lacrosse across southwest Colorado.

The background features a blurred image of hockey players in action. Overlaid on this are several decorative elements: a series of thin, parallel teal lines in the top-left corner; a cluster of overlapping semi-circles in red, orange, and dark blue in the top-right; and another cluster of overlapping semi-circles in orange, dark blue, and red in the bottom-left. A large, faint teal arc is visible in the bottom-right.

PLEASE NOTE

Since we are a 501c3 organization, your donation over \$500 qualifies as a tax write-off. All donations are requested annually, so you will have the option to change your donation amount on a yearly basis.
