

ARK VALLEY LACROSSE CLUB

2024 Fundraising Deck

PROJECT INTRODUCTION

We are eager to introduce a new and exciting sport to the youth of the Arkansas Valley! Our goal is to create an uplifting community that provides our local youth with unlimited opportunities to grow, build self-esteem, and pursue collegiate opportunities if they so desire. Our passion is met with our commitment to including our local communities and businesses as we work to build this exciting club.

CURRENT GOALS

We are specifically excited to offer this sport to kids who are not inclined to participate in traditional spring sports such as baseball, softball, tennis, and track. We believe there is a large group of kids that would thrive within the sport of lacrosse.

We are a not-for-profit 501C3 club team sport welcoming children from ages 6 and up to come to play.

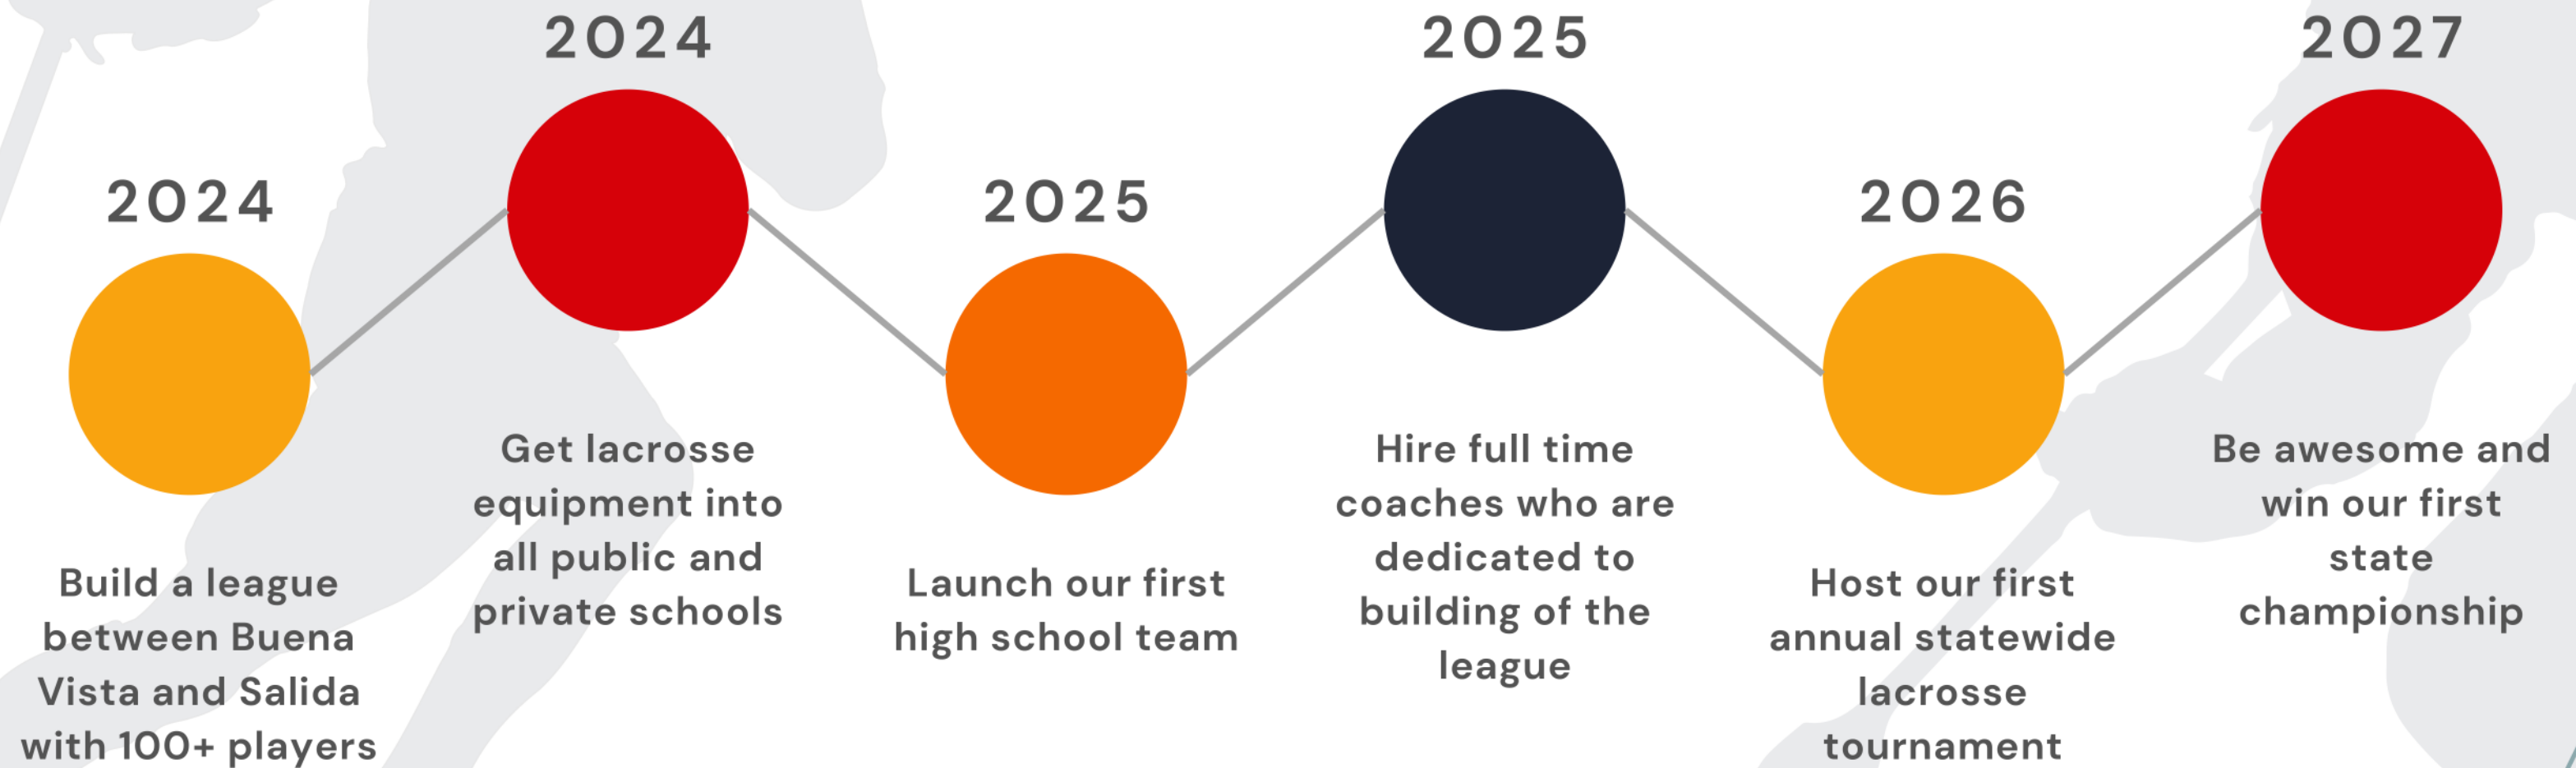

For our youth ages K-8 we are hosting spring, summer, and winter leagues to encourage passion, community, and skill building. The talent in our valley is unmatched by these kids and we are eager to foster their excitement.

Our high school students are currently playing in Crested Butte and Summit County. We are excited to create a local space for them and build a public high school team.

PROJECT TIMELINE

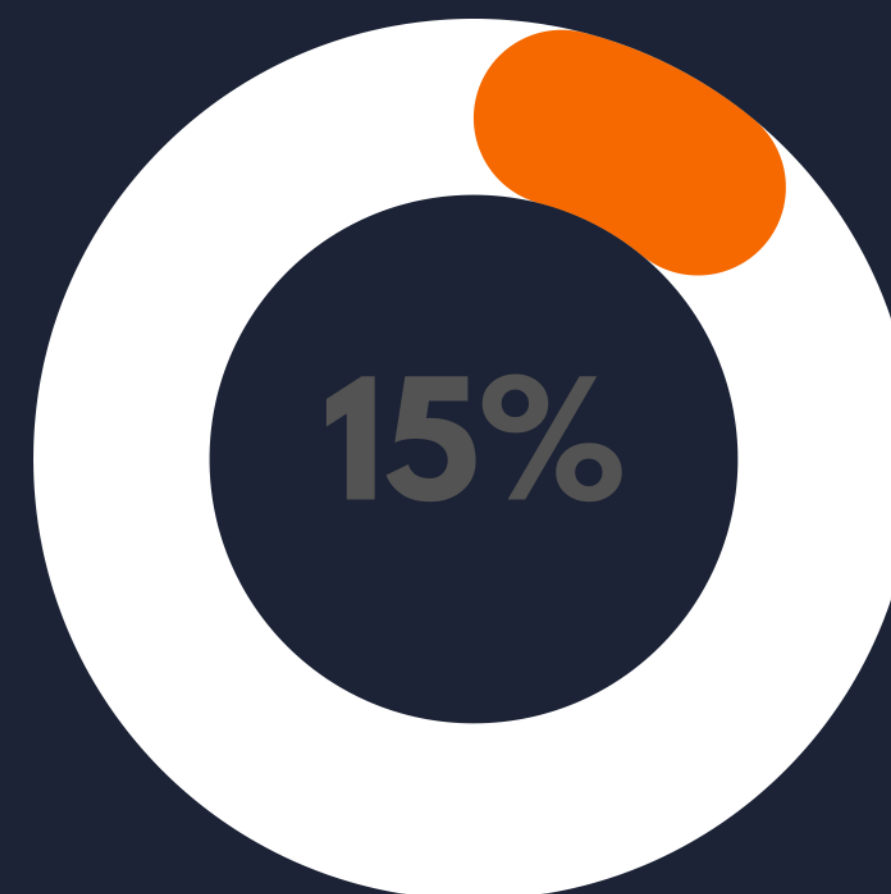

PROJECTED FUNDING ALLOCATION

EQUIPMENT + GEAR

VENUE RENTALS

COMPENSATE COACHES

HOW YOUR DONATION WILL IMPACT OUR COMMUNITY

Our goal as a 501C3 club is to never let money stand in the way of a child not playing lacrosse.

- Securing field and indoor gym space is of the utmost importance to providing a safe environment for our kids and volunteer coaches.
- We are eager to distribute equipment to all the local schools and bring everything a child will need to attend camps and trainings.
- We have amazing support from our surrounding communities and intend to compensate coaches who are willing to come to Chaffee County to train our kids.
- Our goal to host annual lacrosse tournaments will bring in large groups of families and kids from all over Colorado, New Mexico, and Texas.

HOW YOU CAN SUPPORT US

TIER #1

\$250

- Local support from our team members and participating families
- Ark Valley Lacrosse swag
- Business highlight post on our social media pages

TIER #2

\$500

- Local support from our team members and participating families
- Ark Valley Lacrosse swag
